MESSAGE FROM THE PRINCIPAL

Dear KJS Families,

What a wonderful way to end the term with this morning's assemblies! Our talented performers were amazing as always. It was the perfect way to celebrate and bring our school community together.

This week has also been filled with our year group's athletics days. They really do show the talent, determination, and sportsmanship of all our students (while also having lots of fun!).

A huge thank you goes out to Mr Riddell and Ms Hadley for their organisation and leadership in making these athletics days such a success. Of course, we must not forget our student helpers who provided invaluable support throughout the events, and the KJS site staff worked hard behind the scenes, helping to pack up equipment each day and ensuring everything was ready for the next day's events. Thank you to all the many families that came to support.

Merry Christmas to all those celebrating, and a Happy New Year for when it finally arrives. For those of you traveling during the holidays, please stay safe on your journeys and enjoy quality time with family and friends.

Have a wonderful winter break and see you all on Monday 5th January 2026!

Mr MacGregor
Principal

Staff Book Recommendation of the Week

This week's recommendation comes from **Mr. Fay, KJS Vice Principal**

Mr. Fay says: It teaches everyone that being unique is a strength. The book promotes values like kindness, curiosity and working together, encouraging children to embrace their true selves and build a better community.

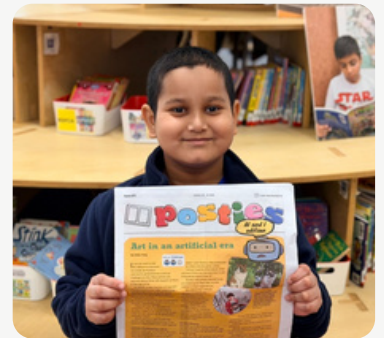

Dragon Tales & Hopeful Hearts Shine in Posties Issue #684!

This week, we shine the spotlight on not one, but two inspiring young authors from Kowloon Junior School whose creativity and passion are truly making waves in our Posties pages!

First, let's give a warm round of applause to **Oliver Sin (5DM)** for his wonderfully thoughtful and heartfelt article! Ollie, who is humble about his achievements, began his writing journey in Year 4 and has already penned an impressive 25 articles. The piece featured this week was written back in June 2025. He loves writing so much that he makes time for it every single week, often focusing on topics important to him, like caring for our planet. Oliver was completely surprised when his teacher, Mrs. May, shared the news of his feature. His advice to fellow writers is full of wisdom: "If you don't get in the first time, don't give up. Mistakes are stepping stones to success." He credits his dad as a huge inspiration, who always tells him, "If it doesn't happen, it doesn't mean you failed. Never give up hope." What a fantastic mindset, Oliver!

Next, soaring onto the scene with elemental power is **Anvay Joshi (5DM)**, whose thrilling short story "The Elemental Dragon" captivated us all! Anvay was playing in the KJS playground when a Year 3 student who recognized him from the paper shared the exciting news. He immediately rushed back to his classroom to look himself up in the KJS Virtual Library—and there he was! Anvay and his friends share a love for crafting epic tales, especially about dragons. So far, he has written six articles, all of them creative stories. This particular adventure was his second story, written back in February while in Year 4. His message to other aspiring authors is encouraging and clear: "Don't give up, keep trying and you might get in."

We are incredibly proud of Ollie and Anvay for sharing their unique voices, dedication, and imaginative stories with our Posties community. Whether reflecting on the world around us or embarking on mythical quests, they show us that perseverance and passion are the true keys to unlocking our potential.

Congratulations to both of you! We can't wait to see what you write next! 🎨✨📖

Dear Parents,

Last day of term, and what a lot has happened, both in school and in the larger Hong Kong Community.

In the past two weeks, the PTA has continued to fundraise for the Tai Po Fire Relief, as well as delivering almost 30 bags of essential items to a collection centre in Tsuen Wan. Thank you for all the efforts from parent

volunteers, site staff and PTA executive committee team. We are proud to share that the following amounts have been raised:

- \$600 cash from a Y6 student on 28 Nov 2025
- \$1,859.50 from PTA popcorn sales held on site on 28 Nov 2025
- \$1,000 donations on Athletics Days
- \$5,136 net proceeds from Wreath DIY kits

Some of these funds were given to the wider ESFC Collection held last week and the subsequent money that was raised will be deposited directly into the HKSAR Government Support Fund for Tai Po under the account name "Support Fund for Wang Fuk Court in Tai Po" at the Bank Of China (HK).

Cancelled Winter Festival Refunds

All ticket sales refund procedures have been initiated in our system. It might take some time for the refund to reach your original payment account. We will be working on it over the break.

On a lighter note, we wish you all a wonderful holiday season with your families and look forward to seeing you all back in the new year, fresh and ready for what's ahead!

KJS ECA Registration – Term 2

Our ECAs are divided into three main categories:

- 1. **KJS Non-Sport ECAs**
- 2. **KJS Sport ECAs**
- 3. **External ECAs**

KJS Non-Sport ECAs & KJS Sport ECAs

- These activities are run free of charge by KJS staff.
- Please see more detailed information [here](#) about our sport ECAs

Step 1: Expression of Interest Form	<ul style="list-style-type: none">• Parents will be asked to fill out an “<i>Expression of Interest</i>” form (title: Activity Permission Slip) which can be found in your news feed or under the “Activities” module.• The aim is for us to gather your child’s preferences. It does not mean your child’s enrolment is confirmed after completing the form.• Please be mindful of any potential clashes with the other paid/external ECAs that you might have already signed up for your child.• Deadline: 18 December 2025• If we do not receive your form before the stated deadline, we will assume your child is not interested in joining any of the KJS led ECAs.
Step 2: Randomization	<ul style="list-style-type: none">• Once we gather all the data, if the number of sign-up exceeds the class capacity, enrolment will then be randomized and NOT on a first come first served basis.• Please note that the number of students who can participate in each activity is capped due to safety considerations and staff-to-student ratios.• We will try to accommodate but there is no guarantee your child will get into the first choice especially for clubs with overwhelming response.
Step 3: Final Confirmation	<ul style="list-style-type: none">• Students will then be allocated to different ECAs based on the allocation results and parents will receive an “Activity Permission Slip” by the end of December to confirm your child’s enrolment.• Parents will be asked to give final consent as some students might not be able to get into their first choice and based on our experience, some parents might not agree for their children to participate in the allocated ECAs due to various reasons.• You can always refer to the “Activity Participation” section under your child’s profile in the ESF Hub for all the ECAs your child is enrolled in. The meeting dates will also be listed there for your easy reference.• Deadline: 31 December 2025• If we do not receive your consent before the stated deadline, we will allocate your spot to another student on the waiting list.

External ECAs

- Information about external ECAs have been advertised through our weekly newsletter.
- These activities are organized by the providers themselves (Drama Club by FAUST, Chess Club by ActiveKids, Writing Club by Elephant Community Press, Baking Club by Flour and Clay Club by Twiggy Pottery)
- External providers normally charge a fee for their activities.
- Parents are to contact the ECA providers directly for registration.

While there are no internal ECAs available for Year 1 students and no sport ECAs for Year 1 and 2 students in term 2, you are welcome to sign up directly with our external ECA providers that offer activities for these age groups.
