MESSAGE FROM THE PRINCIPAL

Dear KJS Families,

It has certainly been a very wet week!

On Wednesday morning, we had the pleasure of welcoming our CEO, Belinda Greer, to the KJS campus. She took the time to speak with some of our parents and staff, and it was incredibly pleasing to hear such positive things shared about our wonderful school community.

This week, our Year 3 students enjoyed some fantastic educational visits to both the Science Museum and the Space Museum. There was also a special celebration for our Chinese Battle of the Books (BOB) team, recognizing their hard work and dedication when they took part in the competition earlier this year.

Looking ahead to a very packed final week of term next week. On Monday, our Year 4 students will enjoy a fun Pizza Party with a movie, which has been kindly organized by the PTA to celebrate them being the year group that sold the most raffle tickets.

Tuesday will be our class transition day, where our students will meet their new teachers.

On Thursday morning it is our Year 6 leavers assembly, a memorable time to celebrate our students before they move on to their next chapter.

Lastly, please do not forget that school will finish early on Friday at 12pm.

Wishing you all a wonderful, relaxing, and longer public holiday weekend.

Mr MacGregor
Principal

MESSAGE FROM THE NURSE

As the school year comes to an end, we would like to share important reminders to support your child's safety and proper care. Please read the notice carefully.

1) Return of Emergency & Regular Medication (Action Required)

All emergency and regular medications currently kept in school will be returned to students before the end of the school year. **Please kindly advise us of your child's last day of school attendance**, so we can coordinate the return appropriately.

2) Important change of Medication Administration in school

To help ensure safe administration of medication, starting from the 2026/2027 school year, all medication given in school must be prescribed by a doctor.

Please note:

- A **medical note and/or prescription proof** with clear name and administration instruction of the medication must be submitted together with the medication.
- All medication must be registered through the ESF Hub App before administration. Please also send the required document to the School Nurse email.
- Staff are not allowed to give medication without the required documents being verified.

3) Update Medical Information

To ensure the safety and appropriate support for your child, we kindly request that parents provide up-to-date medical information (e.g. new diagnoses, allergies, asthma action plans, changes to prescribed medication, emergency contact updates) at the beginning of school year.

If there are any updates during the school year, please update the school via the App promptly.

3) Loaned Clothing from the Medical Room

If your child has borrowed any loan clothes from the medical room, please help us by checking and returning them before 23rd June 2026.

4) Support for Spare Uniforms (Big Sizes)

We are currently short of spare school uniforms for senior students in Year 5 or 6, especially summer uniforms. We would be very grateful if parents/guardians could support through uniform donations (in clean and usable condition). Donations can be arranged through the school office/nurse office.

Dear Parents,

We have had another wonderful week here at KJS and we are winding up for the year end and also getting ready for the new year ahead.

Supporting the Library

Could all Year 6 students and any other leavers who do not need their **blue** original style library bags please drop them off at the PTA Office. The Library Team will recycle them to other students.

Pre loved Uniform Collection

We have received some uniforms from leaving students, and if you are sorting through school clothes that no longer fit, we would love for you to donate them to our upcoming Pre-Loved Uniform Sale this August. Not only is this a fantastic way to clear out your wardrobes and grab some affordable spares for the new school year, but all proceeds from the sale will be going directly to Redress, a wonderful charity dedicated to reducing textile waste and supporting sustainable clothing practices.

How You Can Help:

If you have any school uniform items that your children have outgrown, please consider donating them. To make sure the sale is a success, we kindly ask that all donations meet the following guidelines:

- **Good Condition:** No visible holes, rips or heavy staining.
- **Working Order:** All zips, buttons and fasteners must be unbroken and working.
- **Clean:** Please ensure all items are freshly **washed** before bringing them in.

Collection Details:

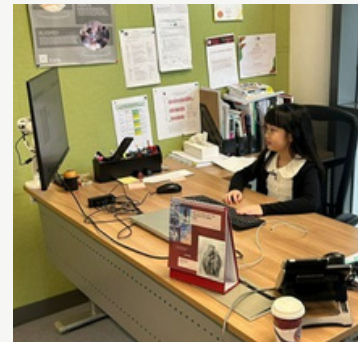

- **When:** From now until Wed 24th June.
- **How:** Simply pack the clean uniforms into a bag and have your child hand them directly to their **classroom teacher**.
- They will be passed on to the PTA for sorting ahead of the August sales

Please remember this is for KJS uniforms only, thank you!

Principal for a Morning!

The top selling raffle ticket children won the coveted prize of being “Mr. MacGregor” for a morning.

They started with morning greetings at the front gate, sat in with him for a budget meeting, planned calendar events with PTA Executives and Mr. MacGregor, and gave us valuable insights in future event planning.
