Success for Every Child

Date: 28 Oct 2024

Dear Parents,

Knowing your child's medical conditions and detailed list of allergic/avoidance items is important for us to provide a safe and healthy learning environment to the students.

Please ensure that your child's medical information is up-to-date on Gateway. (Log in to Gateway > Student Profile > Student Demographics > Medical Information)

If your child has medical conditions that certain items can trigger it, e.g. mild or anaphylactic allergic reactions, G6PD, dermatitis/eczema, etc, we would like you to provide the list of trigger items that should be avoided under the Allergy section of the Medical Information at Gateway.

Feel free to contact us for any questions.

Best regards,

Carmen Chan
