Dear Families,

I am excited to share that our Year 3 and Year 4 students have just completed their introductory recorder unit in music lessons! **Please take a moment to visit your child's Seesaw page to explore their progress together.**

We will temporarily put the recorders away but will resume practice shortly after Chinese New Year. To support our students, the school has ordered high-quality recorders, ensuring that every child can participate without financial concern. **There's no need for you to purchase an instrument.**

If you would like your child to have a recorder for home practice or school use, please note the following:

1. **For home practice, any 'baroque style' recorder will align with what the students are learning.**
2. **For use in class, only the [Nuvo Recorder+ model](#) will be allowed.**
3. **Students bringing a recorder from home must keep it clearly labeled and use it only in music spaces, during lessons.**

Thank you for your support!

Warm regards,
Mrs. Swett
