Date: 28 Nov 2024

Dear Parents,

[IMPORTANT] Completed: Year 1- 6 Seasonal Influenza Vaccination (First Shot)

The Year 1- 6 Seasonal Influenza Vaccination (First Shot) was completed today.

For Year 1 to 3 students (except 1RC), please kindly check their school bags for the SIV vaccination record with the Information on Side Effects after vaccination tonight.

For Year 4 to 6 students, the SIV vaccination record will be sent out on Monday as they are still under the recording process. Please refer to the attachment for the Information on Side Effects.

Students requiring a second dose of SIV will receive a yellow notice with the vaccination record. Further notice will be sent out via SPLAT message in January.

As there will not be a make-up session for absent or refused students, attached please kindly find the Government SIV Overview of eligibility and vaccination venue for your reference. You can check out the list of private clinics which enrolled for the government subsidy SIV program to see if they can provide subsidised SIV for your child on your own time.

Feel free to contact me for any questions.
