Dear Parents and Students,

I am writing to inform you about our upcoming Extra-Curricular Activities (ECAs) program.

We are excited to offer a diverse range of activities for our students, and I would like to provide you with important information regarding the structure and sign-up process for these activities.

ECA Categories

Our ECAs are divided into three main categories:

- 1. KJS Non-Sport ECAs**
- 2. KJS Sport ECAs**
- 3. External Provider ECAs**

1. KJS Non-Sport ECAs

- These activities are run free of charge by KJS staff
- They will be divided across the year into four 9-week blocks.
- Sign-up for the first two blocks will be released next week.
- Please note that the number of students who can participate in each activity is capped due to safety considerations and staff-to-student ratios.

2. KJS Sport ECAs

Please see more detailed information [here](#)

Please note every child who wishes to participate in a sports club will have the opportunity to do so, although they may be offered a place in a different cohort later in the year.

- Sport ECAs operate slightly differently from non-sport activities.
- These activities are run free of charge by KJS staff
- These may run for **longer** than 9 weeks.

3. External Provider-run ECAs

- Information about external ECA providers will be advertised through our newsletter.
- These activities are organized by the providers themselves.
- External providers normally charge a fee for their activities.

Important Dates and Information

- All KJS-run ECAs will begin on the week of **September 2nd** and will be available for sign-up on the Gateway platform early next week. **A message will be sent confirming when booking is open**
- Sign-up for the first two blocks of KJS-run ECAs will be released next week.
- All KJS-run ECAs for the first two blocks are for Years 3-6 only.
- Some External Provider-run ECAs are open to all year groups.
- After Christmas, KJS-run ECAs for Years 1 and 2 will be introduced. This delay is to allow our younger children to settle into the new school year.
- Parents and caregivers are required to arrange pickups after all ECAs. If needed, please liaise with the bus companies directly.

Please note that on occasion more ECAs will be released as and when space and staffing is available.

If you have any questions or require further information, please don't hesitate to contact the school office.

Best regards

Kowloon Junior School
