Success for Every Child

Date: 18 Feb 2025

Dear Parents,

In today's digital age, technology plays a significant role in our children's lives, offering both opportunities and challenges. Are you looking for guidance on how to foster healthy technology habits at home? Do you want to learn how to communicate effectively with your kids about their online activities and create clear agreements for its use?

We're excited to invite you to an upcoming webinar designed to help you navigate these important topics. The webinar will be facilitated by Jason Prohaska, who is the Educational Technologies Lead across ESF.

This session will provide practical strategies to:

- **Start and maintain healthy technology habits** in your home.
- **Communicate clearly** with your children about their online activities.
- **Create family agreements** for technology use that work for everyone.

Whether you're just starting to set boundaries or looking to refine your approach, this webinar will equip you with the tools and confidence to support your family in building a balanced and positive relationship with technology.

Date: Thursday, March 6th

Time: 8:30 am

Location: Online (Link will be provided upon registration)
