Medication request for Year 4 Camp 2024/2025

Dear Parents and Guardians,

In preparation for the Year 4 overnight camp from 25 to 26 March 2025, please complete the attached Medication Authorisation Form (MAF) for any medications that **must** be taken during the hours of the camp. As per ESF policy I would urge you to only request essential prescribed medications be given.

We will ask that the medications with the MAF must be submitted to the Medical Room **on or before 20th March 2025 (Thursday)** for registration. Please keep all the required medications in a well-labelled ziplock bag with the completed MAF, clear instructions and all the components necessary to administer.

For those students who already keep medication at school for use in emergencies, please complete the MAF again so that a clear copy can be kept in the camp folders with the teachers. I will organise for the medication to be given to the teachers responsible.

As always, please don't hesitate to get in touch if you have any questions or you would like to discuss further.
