Success for Every Child

Date: 18 Mar 2025

Dear Year One Families,

I hope this email finds you well. I'm writing to inform you about an important adjustment to our school calendar.

On Friday, 30th May, we will be hosting a transition day for incoming Year One pupils for the 2025/26 academic year. As a result, your child will not need to attend school on this day.

This decision allows our Year One teachers to fully focus on welcoming new students, provide comprehensive tours of the school and its facilities, and ensure a smooth transition for incoming pupils. We believe this approach will greatly benefit our new students as they begin their educational journey at KJS. This aligns with similar practices in some ESF kindergartens, you may recall your own children's experience of this last year.

To ensure continued learning, our Year One teachers will provide engaging activities for your children to complete at home. These activities will complement their ongoing curriculum and support their educational progress.

As always if you have any questions please do feel free to reach out

Kind Regards,

Mr. Gavin MacGregor

Principal
